Dear Friends:

I wish to send a warm greeting to members of the Dar Al-Hijrah Islamic Center and Muslim American Society as you gather today to celebrate the opening of the new MAS Community Center.

I commend you on your efforts to better the Muslim community with a youth center, Masjid facility, and home for the Washington Islamic Academy. As you gather to share ideas, create alliances and network with one another, may you continue to foster the Islamic principles of brotherhood, equality, mutual assistance and teachings of peace, love and justice.

Please accept my most sincere wishes for a successful community center.

With warm regards I remain,

Sincerely,

A handwritten signature in blue ink that reads "Tom Davis".
