I, Imam Siraj Wahhaj of Masjid At-Taqwa, have been in partnership with Darul Hijrah for over 25 years. Throughout this time, I have personally witnessed the growth and development of this organization and have been a part of the many programs and events. I have personally raised many funds for Darul Hijrah in the past and pride myself with being connected to this organization. The Anniversary of Darul Hijrah is a personal celebration for myself and therefore, I too, am celebrating this 25th momentous year of Darul Hijrah's success.

Truly Yours,

Siraj Wahhaj
Imam
