30th Anniversary of the Dar Al-Hijrah Islamic Center

For three decades, Dar Al-Hijrah Islamic Center has played a vital role in our community. The Center provides support on many levels and has been a valuable community partner. Dar Al-Hijrah has been responsive to community needs and is swift with any assistance that it can provide. The Center has been a strong leader and advocate for the vicinity and many people rely on its services.

The Mason District is one of the most diverse areas of Fairfax County. Dar Al-Hijrah has been a great support to the community with the ever changing and expanding population of people and businesses. The Center remains a welcome neighbor to the diversity found in the Mason District. I commend Dar Al-Hijrah Islamic Center for all its accomplishments over the years since its founding.

Sincerely,

Penelope A. Gross
Mason District Supervisor
